Encorpada

Classic

Encorpada classic brings the best features of the Didone genre, but with a 21st century look and feel. With smooth details Encorpada Classic is a elegant choice for your type library.

The Encorpada family began in 2011 with the release of Encorpada Black. After that instant success, in 2012, dooType brought to us Encorpada Pro. Encorpada Classic retains the main look and feel of his predecessors, but is designed with more functional considerations.

Encorpada Classic is a finest choice.
