

# TRIAL FONTS END USER LICENSE AGREEMENT

## Dear font user

By downloading, accessing, or using the fonts provided to you, you accept these terms and conditions.

## Rights

If you sign up for the LucasFonts newsletter, LucasFonts will grant you a non-exclusive, non-assignable, non-transferable license to use the fonts. All rights to the fonts and all intellectual property embodied in them are retained by LucasFonts. You are not allowed to distribute the fonts or to modify, convert, reverse engineer, decompile, or create derivative works based on them. If you want to modify the fonts for personal use, you have other special wishes, or you are unsure whether the way you want to use the fonts is allowed, please contact [sales@lucasfonts.com](mailto:sales@lucasfonts.com).

## Trial license

You can use the fonts for the purpose of deciding whether you want to purchase a license for them, as long as you don't publish any work that uses the fonts. You can install the OTF and (if provided) TTF fonts on computers you or your company own and embed them into documents, apps, and e-books. You can use the WOFF2 fonts with CSS @font-face. If you want to publish anything that has been made using the fonts, you have to purchase a license. If anyone other than you and your colleagues will use the fonts or create anything with them then we would appreciate it if you would ask them to sign up for the LucasFonts newsletter and get their own trial license for the fonts. But in any case you must include a copy of this trial license whenever you provide the fonts to people other than yourself. If you are a student, you can also use the fonts for non-commercial projects that are part of your studies and include those projects in your portfolio.

## Converting files

You are not allowed to use conversion tools on the fonts. You can only use the file formats that were provided to you by us.

## Font quality

If the fonts are not working like you expect them to, please contact [sales@lucasfonts.com](mailto:sales@lucasfonts.com). The fonts are provided as is but we will do our best to engineer a workaround. LucasFonts does not guarantee any results and disclaims all express or implied warranties.

## Embedding securely

If you embed the fonts somewhere, you need to do so securely and make sure the fonts are not accessible by end users. Please, for the love of god, don't put the fonts in public GitHub repositories. That is clearly not allowed.

## Termination

If you breach this agreement, then all your rights automatically terminate, you have to immediately stop using the fonts, and in addition to any legal rights LucasFonts has, you will be responsible for all costs LucasFonts incurs enforcing this agreement.

## Liability

You agree that LucasFonts will not be liable for anything bad that happens and will never have to pay for consequential, incidental, or special damages, including any lost profits or lost savings. However if for some reason some authority like a court or governing body with jurisdiction decides that LucasFonts is liable for something, then LucasFonts's liability will never exceed the license fee it received.

## Miscellaneous

This document contains the entire agreement relating to its subject matter and supersedes any prior agreements or understandings, whether verbal or written. No modification of this agreement will be valid or enforceable unless it is in the form of a written document signed by LucasFonts. If LucasFonts waives a right, that does not mean it is waived for the future. If any part of this agreement is found void or unenforceable, it will not affect the validity of the rest of the agreement. This agreement is governed by the laws of Germany and any disputes or legal proceedings will be handled exclusively in Berlin. And by that we mean the Berlin that is the capital of Germany, not the one in Schleswig-Holstein and definitely not the ones in Canada, Russia, South Africa, El Salvador, Antarctica, California, Connecticut, Georgia, Illinois, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Nebraska, Nevada, New Hampshire, New York, New Jersey, North Dakota, Ohio, Pennsylvania, Tennessee, Texas, Vermont, West Virginia, or Wisconsin.
